

## Capital CFDs Account

You are applying for a CFD trading account which offers you the opportunity to trade on the price movement of financial products. CFDs are a leveraged trading product. If you want to know more about CFD trading please visit our website at [www.capitalcfds.com.au](http://www.capitalcfds.com.au).

At Capital CFDs we want you to enjoy your CFD trading experience. Our automatic Stop-Loss facility allows you to limit any financial loss to a pre-agreed amount, but you must note that if the markets move unexpectedly against your position or gap overnight, you may be required to credit your account with additional funds.

Stop-losses are automatically allocated with each trade you make. Stop Losses are not guaranteed. You can lose more than your initial deposit. CFDs carry a high level of risk so you should only speculate with money you can afford to lose. Before you open an account, please ensure you understand the risks associated with trading CFDs and that it meets your investment objectives. Please seek independent financial advice if necessary. If you have any questions please call our Customer Support team on **1800 259 678**.

## Funding

You must deposit funds before you wish to make a trade. Payments can be made via Credit/Debit card, by bank transfer using your account number as a reference (please ask for bank details) or by BPAY®.
